

Service for Sunday Trinity 10

During this time, we are worshipping in our homes – perhaps on our own or with just a few members of our family. In our service this morning we hear the story of the Canaanite woman seeking healing for her daughter. We remember too that yesterday was the 75th anniversary of VJ day and the end of the WWII. The prayer we use is with thanks to the Diocese of Exeter.

This week you might like to have a candle nearby to light.

The photographs for the online service are all provided by members of the congregation, and Sarah K has sorted out the technical side. Thank you to all who have taken part in the service.

As the service starts, we listen to Keith playing his guitar.
